Learning Zones

The Hive

Our offer of wellbeing and behaviour support is exemplary. We take great pride in the way we support children at Claytons.

Some children may struggle with emotional resilience and anxiety, some may struggle to follow the school rules, some may have additional needs that need interventions, some may just have an off day and need some 'time.' The hive is essential to provide this support, we also have quiet spaces within classrooms and all staff are aware of the importance of connecting with children to provide support. No child chooses to find these things difficult and many need support at some point in their time in education.

The strategies we use helps all children reach their full potential in their learning.

Attendance

Face-to-face education is important in helping children to fulfil their potential. During school time we believe children should be in class with their teachers and peers and enjoying all the benefits that brings. Parents or carers of a child have a legal responsibility to ensure their child receives a suitable education. This is usually achieved through regular attendance at school.

We promote attendance in our school and aim for all children to attend above 96% consistently throughout the academic year. This is 96+% instead of 100% as we know some illness is to be expected. Children will be rewarded for Attendance of over 96%.

One day off per school year means that a child has about 99.5% attendance.

Ten days off per school year means that a child has about 94.7% attendance.

Twenty days off per school year means that a child has about 90% attendance

90% attendance means 4 whole weeks off school

We follow the government guidance on referring concerns to the local authority for fining for non-attendance/holidays.

Late children

Please remember that missing the start of the school day is very unsettling to a child and they may miss something important.

Benedict's Law: Mandatory Allergy Safety Guidance in Schools

We have very good procedures in place already that meet the requirements of this new law. However, we do need to be very careful on items bought into school.

From September...

- Monitor where there are home baked items brought into school
- We have made the decision to stop the children sending in Birthday treats, we have children in school who have severe allergies, sending in Birthday treats poses too much of a risk. As a school we must make sensible decisions to keep children safe and to take in to account children who have allergies.

Home Learning

- ▶ Listen to your child read at least 3 times a week and record in diary.
- ▶ TTRS at least 3 times a week for 10 minutes.
- ▶ My Maths activity - Set weekly on a Friday, due by the following Friday. Log in details have been sent home (to be stuck in Reading Records)
- ▶ English- SPAG/ Comprehension weekly- Handed out on Friday to be returned by the following Friday.

Children to come into school on PE and Games days wearing their PE kit - (useful to have some spare shorts Leggings, T shirt in school all labelled just in case) .

What your child needs...

- ▶ **Water bottle**
- ▶ **Coat** - we will go out in all weathers (it is a good idea to have a pac-a-mac (or similar) they can keep on their peg)
- ▶ **School bag** - This will hold their reading book/ diary/ homework/ snack box
- ▶ **A healthy playtime snack** - fruit or vegetable
- ▶ Children need to bring a pencil case in with 2 handwriting pens, 2 pencils, a glue stick, colour pencils, a rubber, a sharpener and a ruler. Please do not send in unnecessary items.
- ▶ Please name all school clothing

The power of connection

The pupils :

- 1) *Let's persevere together* – even when something is tricky, let's stick with it as we know that the more we try or practice the stronger we can become!
- 2) *Let's be kind together* – even when our alarm is kicking off, when we feel wobbly, tired, sick, frustrated, sad or mad, let's get ourselves back into balance so that we can use our words and bodies to communicate kindness.
- 3) *Let's stick together* – even when we seem different to those around us, let's ensure everyone is included. Everyone belongs in our school and everyone can contribute because everyone matters!
- 4) *Let's have fun together* – even when something might seem a bit dull or boring to start with, let's go off and explore together as you never know we might stumble across something that really interests us along the way, making us smile and laugh!

Our class family... We are coffee Beans always transforming being resilient and adapting

Things to note...

▶ Birthdays

- ▶ No treats to celebrate birthdays should be brought into school
- ▶ We will sing to them in class, give them a class birthday card and, if they want to, can bring in a special show & tell to show the class

▶ Earrings

- ▶ Children should only be wearing one set of stud earrings
- ▶ Ideally, on PE days, children should remove their earrings at home and not wear any to school
- ▶ If this isn't possible then children need to bring in their own micropore tape so earrings can be covered

Things to remember

- ▶ No birthday food treats - their birthdays are recognised and celebrated in class
- ▶ Child collection- please let us know who the main people will be to collect your child and do let school know if someone else will be picking up on the day. Year 6 are allowed to walk home with parental permission.
- ▶ No child to be on the playground before 8.30am
- ▶ Supporting the curriculum- We always welcome community support.
- ▶ Hot lunches must be ordered online. The school can not provide a lunch to anyone who has not pre-ordered.

Any Questions?
